### La Roche Posay Cicaplast Baume B5+

Cicaplast Baume B5+ Balm Cream is a multi-repairing hydrating balm for dry skin with a rich nourishing texture that can be used for multiple purposes on adults, children and babies (including babies from 3+ months) with sensitive skin. Now improved, the Cicaplast Baume B5+ is powered by a unique prebiotic complex called Tribioma, and an intense hydrating formula enriched with Madecassoside to support skin recovery and 5% Panthenol, also known as Vitamin B5, for skin to maintain skin health and support the skin moisture barrier. Dermatologically tested for sensitive skin, this cream for dry to very dry skin has a rich, nourishing texture suitable for extreme dryness, dry patches, rough areas, skin prone to redness and post-procedure skin (skin that has undergone minor aesthetic treatments such as IPL, laser, peels and LED).

The formula is fragrance-free, lanolin-free and white-mark free.
