Message from Brendon and Emma

We are pleased to have been successful in passing our QCPP (Quality Care Pharmacy Program) assessment which is performed every 2 years. This is an independent assessment of the professional services we offer. It is "quality control" for Pharmacies Australia wide.

We are very proud of our staff and their efforts to offer personal service and professional care.

This months 'great buys' catalogue runs from 5th-18th July. Purchase any item from the catalogue and go into the draw to win an AKAI 40 inch full HD LED LCD TV with DVD player.

Healthy Regards,
Brendon & Emma
