Napoleon Perdis Cheek Switch Crème Blush Stick

Luxuriously creamy, this lightweight and long-wearing blush glides across cheeks, transforming into an ultra-silky powder finish. Easy to build and layer, the seriously smooth matte-velvet texture infuses cheeks with a super pigmented pop. Argan Kernel Oil and Candelilla Wax condition, while silicone elastomers and spherical powders boast light-diffusing properties for a soft-focus effect. Vegan. Paraben, fragrance and mineral oil free.

How to use: If applying blush stick over a sheer base, dab it straight onto the skin then blend out using your fingers or a brush. If working over full coverage, load product onto a brush then sweep straight onto your cheeks.

Available Shades: Save the coral, Go on Rose, Pink Lady

\$57.00 each

As we expect the weather to cool, it's a good time to think about your vaccination status.

We recommend Influenza vaccination from April each year. The inactivated strains of influenza are changes each year to give us the best protection from circulating flu types.

We will be offering Flu vaccination services again and look forward to helping you stay safe this winter.

Specials in our current catalogue are available from 8th March. Purchase any item from the catalogue and enter online to WIN an \$8000 Helloworld Gift Card!

Healthy regards, **Brendon, Emma & Justine**

Coloxyl Macroglol for Children

Coloxyl Macroglol For Children is for the relief & treatment of functional and chronic constipation in babies and kids. It has a natural mode of action to relieve constipation gently and effectively in children from as early as 6 months of age and over.

Features & Benefits:

- Coloxyl Macroglol For Children is the only osmotic constipation relief that is available for use in children from as early as 6 months of age.
- Coloxyl Macroglol For Children formulation does not contain electrolytes that can often give a salty taste, even if they are flavour free, helping to ensure children will like taking it and that it is easy for parents to use with their kids.
- Free from gluten, lactose, sugar & salt, flavours, colours and sweeteners
- Coloxyl Macroglol For Children is colourless, odourless and tasteless
