Napoleon Perdís Camera Finish Concealer

A medium-full coverage concealer designed to deliver the appearance of smooth, even skin tone and texture whilst disguising dark circles and visibly diminishing the appearance of redness and discoloration. Creamy and non drying with a soft focus, natural matte finish, effortlessly blend and build for a smooth veil of coverage. Antioxidant Vitamin E maintains skin hydration while you wear for second skin comfort. Vegan. Paraben free.

How to use: Use the built-in applicator to apply a small amount of the product to desired areas, such as under the eyes, around the nostrils and any other imperfections. Use a damp make-up sponge (such as Lil' Beauty Sponge) in a patting motion to blend and fuse the concealer with the foundation.

We were all saddened to hear of the recent passing, in Brisbane of Jason Yim.

Many of you will remember him as our jovial, friendly, helpful, cheerful locum pharmacist. He only intended to work here for a month; but we loved him and he loved Inverell and helped us for 6 years! We will miss him.

Specials in our current catalogue are available from 6th—28th June. Purchase any item from the catalogue and enter online to WIN a Breville Barista Express Manual Coffee Machine valued at \$699.00

Healthy regards, Brendon, Emma & Justine
